Phil -

Many thanks for the fine arrangements connected with my visit. It was nice seeing you and Lillian again and to know that things are going so well in Amman despite the high tension.

Enjoy the rest of the tour and I sincerely believe you will find Bahrain enjoyable as well. We look forward to seeing you for the bureau chiefs' conference.

I would like to treat you and Lillian to food or whatever when you are here this summer. Let's plan on it.

Best,
